

# Re-orientation Training Program (RTP) on Evidently Effective Ayurvedic Treatment for Chronic Diseases

## Phase - I: Migraine, Nasal Disorders, Childhood Asthma, Urticaria and Hepatitis

Venue: Ipca Laboratories Limited, Kandivali Industrial Estate, Charkop, Kandivali (West), Mumbai 400067

### Background:

Vaidya Balendu Prakash, a recipient of Padma Shri, has successfully established therapeutics of Rasa-Aushadhis in the treatment of certain forms of cancer and chronic diseases. The pilot projects on Acute Promyelocytic Leukemia (APML) and observational clinical studies in the treatment of migraine using uniform ayurvedic treatment protocol speak for itself (refer: [www.padaav.com](http://www.padaav.com)).

Ipca Traditional Remedies Pvt. Ltd has taken an initiative to disseminate such protocol based, therapeutically evident applied aspects of Rasa-Aushadhis among ayurvedic professionals for the treatment of chronic diseases in phased manner through structured training program.

### What RTP involves:

- Modern diagnosis of specific chronic diseases: it will cover clinical anatomy, physiology, pathology, radiology and emergency treatments
- Correlation with ayurvedic diagnosis and treatment using specific ayurvedic treatment protocol (diet, lifestyle and medicine and counseling)
- Documentation of clinical practice: screening, enrollment, filling of case record form, follow-up and data tabulation
- Soft skills: covering Good Clinical practice, communication skills and personality development

### Highlights of RTP:

- Personalized training with certificate of attendance
- Membership to Padaav Ayurvedic Physician Association (PAPA)
- Exposure to international scientific community

**Eligibility criteria:** Registered Ayurvedic Physicians.

**Program fee:** Rs. 2500/- for each participant.

- Includes boarding and lodging on sharing basis with all meals (excludes laundry services).
- Separate arrangements for female participants.
- Workshop Kit ( Training manual, Stationary, Exercise handouts)
